

Product Service

EU-Type Examination Certificate

No. C5A 026175 0005 Rev. 00

Holder of Certificate: **RIELLO S.p.A.**
Via Ing. Pilade Riello, 7
37045 Legnago (VR) VR
ITALY

Product: **Appliances for space heating**
Automatic forced draught burner

RS 1300 1600 2000 /E/EV C01

PIN CE-0123CT1573

The Certification Body of TÜV SÜD Product Service GmbH confirms according to Annex III (Module B) that the listed product complies with the relevant provisions according to Annex I of Regulation (EU) 2016/426 on appliances burning gaseous fuels. It refers only to the sample submitted for testing and certification and on its technical documentation. See also notes overleaf.

Test report no.: B-G 1866-00/18

Valid until: 2029-01-31

Date, 2019-02-05

Further details / remarks

The maximum supply pressure equals the smallest permissible supply pressure of the used gas side accessories. The indication of the maximum supply pressure on the data plate must be adapted depending on the accessories.

Tested according to: DIN EN 676:2008
