

AR800 EMERGENCY REPAIR KIT

KIT PART NUMBER:	20192113
DESCRIPTION:	The Array Emergency Repair Kit is an organized stock of lower-cost major replaceable components. Intended to remain on site or in a service vehicle. Provides the required items to bring back online a module or boiler under various scenarios.
USE:	For use with AR800 boilers (PN 20164509) up to current.

For spare parts identification diagrams,
Reps login to **sparevision.com**

Refer to the AR 800 IO&M when working on the Array
boilers.

Contact your **local Riello Representative** for assistance or
Riello technical support **1-800-474-3556**.
